## The Executive MBA at a glance

The Executive MBA allows participants to acquire up-to-date management concepts and to develop their "soft skills" (leadership, communication, entrepreneurial spirit and the capacity to work in teams). International accreditation, highly diversified and motivated participants, world-renowned faculty, and state-of-the-art facilities make the Executive MBA a program of reference in the Mediterranean region.

#### **The Program**

The objective of the program is to train visionary executives capable of anticipating change and mobilizing the required resources to be among the "first movers".

The program consists of thirteen modules and six workshops aiming at:

- The acquisition of analytical tools such as statistics, financial accounting, managerial economics...
- The ability to apprehend strategic decisions dealing with the functional areas of business such as marketing, finance, operations management, human resources management..
- The development of soft skills such as leadership, teamwork, entrepreneurial spirit, communication...

#### The Format

The Executive MBA is a part-time program. Participants can enroll in the program without interrupting their professional tracks with the possibility of taking some courses online.

Classes meet four days a month (Thursday through Sunday from 9:00 AM to 6:00 PM) over a 20-month period. Four additional months are dedicated to the final project.

The MSB EMBA program is a very enriching learning experience that helped me advance my leadership skills in an ever-changing context, challenge my ideas, broaden my perspectives and my network, and explore new practices and new approaches for driving change and innovation.

1+1

I got my Executive MBA in 2006 from MSB. It was a great opportunity for me to participate in such educational program stay home in Tunisia and learn from highly qualified international professors teaching at top US and European business schools. The program allowed me the opportunity to discover new ways of management.

Following my graduation, I was recruited as General Manager before becoming the CEO of a company in automotive distribution in Tunisia.

Mr. Ibrahim DEBACHE, Chief Executive Officer **Ennakl Automobiles, EMBA 2005 ALUMNUS** 

## Highly diversified participants

Participants are selected among holders of a university degree (License / Bachelor or equivalent) with a minimum of three years of professional experience in a managerial position.

Good English proficiency is required to enroll in the program. Applicants are interviewed to assess their motivation, potential and capacity to benefit from the program. Each class is composed of highly diversified participants (activity sector, age, gender, nationality, and educational background).

This diversity offers a unique learning experience and opportunities for networking. With MSB's regional focus, the program has attracted participants of over 37 different nationalities.

The Executive MBA in MSB was an exciting journey! Beyond the quality of learning from professors of international stature which reflects the seriousness of the program, I was able to fully benefit from interacting with my classmates in a very instructive exchange framework. Several years after my graduation, I consider that the program has been of great value to me in my career and the skills and knowledge I've acquired serve me to this day in my job as Managing Director of an Oil Marketing Company.

**Enes Agaoglu - Turkey General Manager, INA CORP EMBA 2020 Cohort** 

I'm working as a General Manager for INA CORP. Belgium affiliate of Mena Trade Consulting group based in Istanbul/Turkey for commodities and international trade specialized in solid fuels and cementitious materials trading.

My EMBA journey has been much more than an educational experience. A phenomenal leadership training, personal growth and professional development experience as well. The entire program is very well-designed and adds tremendous value to my career aspirations.

I am pleased with how the program incorporated multiple perspectives and issues that are applicable to a variety of business environments.

My experience in MSB's EMBA program allowed me to provide invaluable insights to my organization while improving my management skills and career prospects, which is something I am proud of and grateful for.

#### FINANCIAL & MANAGERIAL ACCOUNTING

Examines fundamental principles of financial accounting, reporting and analysis and provides students with a framework to understand and productively use the accounting systems. Topics include understanding how financial statements are prepared, interpreting the information provided in financial statements and conducting preliminary analysis of a firm. Emphasis is also placed on the problems of motivation and control in organizations and the role of accounting information in this context.

#### **MANAGERIAL ECONOMICS**

Highlights the usefulness of the basic principles of modern microeconomics in making business decisions. It explores the nature and determinants (including market forces) of decisions about profitmaximizing production and pricing.

#### **CORPORATE FINANCE**

Explores the strategic decisions that lead to capital spending and the process of evaluating long-term capital projects. Recent theories in corporate finance are illustrated through a series of case studies.

## CUSTOMER CENTRICITY & DIGITAL BUSINESS TRANSFORMATION

Provides insights on how to compete through CRM, analytics, and digital business transformation. A major focus will be on digital business transformation: from vision, to strategy, to business model and implementation.

#### Term 03

#### **OPERATIONS MANAGEMENT**

Examines the basic principles of managing the production and distribution of goods and services, from the perspective of a general manager.

The course positions operations as a managerial integration function and provides frameworks and tools to target and implement improvements in business processes.

#### **ENTREPRENEURSHIP**

Focuses on the process of venture creation from the moment that entrepreneurs identify a business opportunity until their venture becomes a viable organization.

#### **ORGANIZATIONAL DESIGN & CHANGE MANAGEMENT**

Explores how organizations can design themselves in a way that facilitates positive change.

It presents design as an ongoing process aiming at facilitating the adaptation to the environment and organizational renewal.

#### **BUSINESS STRATEGY**

Examines the principles and conceptual frameworks for evaluating and formulating business strategy. Topics discussed include the analysis of industry economics, strategic positioning, competitive advantage, the boundaries of the firm, and the role of resources and capabilities in shaping and sustaining competitive advantages. Different mergers & acquisitions insights will also be covered.

#### **Term 04**

#### **INTEGRATION GAME**

Presents a simulation of a real acquisition. Pulls together core topics covered during the EMBA program and gives participants the opportunity to translate many of the theories and concepts they have learned into practice in dealing with a complex real-world situation.

#### **FINAL PROJECT**

The final project is a capstone module integrating courses included in the program. It is intended to allow each participant (individually or in a group) to use the managerial skills acquired throughout the program to study a project that is of interest to a third party (an outside company or professional organization) or a new venture.

#### **WORKSHOPS:**

A series of credit awarding workshops is included in the EMBA program curriculum such as CSR and social ethics, corporate communication, negotiations for decision making... They are organized over week-ends and have as objective to equip participants with strong communication, social responsibility and negotiation skills in order to succeed at their EMBA and workplace challenges.

# Live an **international experience** at MSB's partner universities in the USA

In line with MSB's vision of global education, we offer international experiences at SMU partner universities in the USA and Canada.

EMBA Participants can spend a week at one of MSB's US partners to take an EMBA course, meet US business leaders and go on corporate visits.

Another international opportunity is to gain a dual diploma with HEC Montréal. For this participants spend the first year of the EMBA program at MSB and the second year in the HEC Montréal EMBA program.

Dr. Moez Limayem,
President,
University of North Florida

It is with a lot of excitement and a tremendous sense of pride that we host every year a distinguished group of EMBA students from the esteemed MSB. The entire team including faculty and staff work very hard to make sure this visit is both enjoyable and productive. In addition to very interactive lectures in CRM, the stay includes visits to successful businesses in the Tampa Bay area, guest lectures by world class scholars on timely topics related to CRM, a university tour, an international panel featuring presentations from international students from all over the world highlighting businesses that are truly customerfocused, interaction with USF graduate students and of course several cultural events and experiences. Year after year, students have been telling us that the trip was both memorable and impactful. At the end of the stay, every student receives an official Certificate in CRM.

I look forward to seeing you in Florida soon, I promise you will not regret it.
