WHY OUR PART-TIME MBA?

TAILORED FOR PROFESSIONALS

Our program is specifically designed for junior professionals seeking to enhance their skills in business and artificial intelligence while continuing to work. Benefit from a curriculum crafted to address the challenges and opportunities presented by AI in the business landscape.

STRATEGIC LEARNING

Acquire a solid foundation in business principles, strategy, and leadership. Learn to navigate the complexities of AI in a business context, equipping yourself with the knowledge and skills needed to make informed decisions and drive AI initiatives within your organization.

CAREER ADDED VALUE

Position yourself for success with a Part-time MBA that offers a combination of business knowledge and expertise in AI. Boost your professional career and secure managerial positions with confidence, armed with the knowledge and skills to lead AI initiatives effectively.

WHY THE MEDITERRANEAN SCHOOL OF BUSINESS?

INTERNATIONAL ACCREDITATION

Our program is internationally accredited by the London-based Association of MBA “AMBA” and we have GBSN and AACSB Memberships.

FLEXIBLE SCHEDULE

Our evening and weekend classes allow you to balance work and studies seamlessly.

REAL-WORLD APPLICATION

Apply theoretical knowledge to real-world scenarios, preparing you for the challenges of AI implementation in the corporate environment.

EXPERT FACULTY

Learn from distinguished professors and industry experts at the forefront of AI and business.

NETWORKING OPPORTUNITIES

Build connections with professionals, creating a lasting impact on your career.

CUTTING-EDGE CURRICULUM

Stay ahead of the curve with a curriculum that reflects the latest advancements in AI and business management.

Invest in your future

Become a leader in the AI-driven business landscape. Invest in your future with the Part-time MBA in Artificial Intelligence. Join a community of forward-thinking professionals and gain the knowledge and skills to propel your career to new heights.
